REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF RAHABU LOGISTICS COMPANY LIMITED

Report on the audit of the financial statements

Opinion

We have audited the financial statements of **RAHABU LOGISTICS COMPANY LIMITED** as set out below which comprise the statement of financial position as at **31st December 2019** and statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

In our opinion, these financial statements give a true and fair view of the financial position of the Company as at 31st December 2019, and of its financial performance and its cash flows for the year then ended in accordance with Tanzanian Companies Act, 2002.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's of the Financial Statements section of our report. We are independent of the company in accordance with International Ethics Standards Board for Accountant's code of Ethics for Professional Accountants (IESBA code) together with the ethical requirement that are relevant to our audit of the financial statements in Tanzania, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Directors for the financial statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and the requirements of the Companies Act, No. 12 of 2002, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

This report, including the opinion, has been prepared for, and only for, the **RAHABU LOGISTICS COMPANY LIMITED**'s members as a body corporate in accordance with the Tanzania Companies Act, 2002 and for no other purposes.

Notes to the Financial Statements

2.0 BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS

These accounts have been prepared under the historical cost convention applying the General Accepted Accounting Principles. No adjustments have been made for inflationary factors affecting the accounts

Statement of compliance

The financial statements have been prepared in accordance with International Financial Reporting Standards.

2.0 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Foreign Currency Transactions

The financial statements are presented in Tanzania shillings, which is the business's functional and presentation currency. Transactions in foreign currencies are initially recorded in the functional currency rate ruling at the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency rate of exchange ruling at the balance sheet date. All differences are taken to income statement. Non monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the dates when the fair value was determined

2.2 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment in value.

Depreciation is calculated on a straight line method to write off the cost of assets over their expected useful lives. The rates applied which are consistent with those applied in previous years are:-

The annual depreciation rates in use are:

Assets	Motor Vehicle and Trucks	Office & Furniture Equipment	Saloon Equipments
Depreciation	25.0%	12.5%	12.5%

(c) Debtors

Provision for bad and doubtful debts are made on specific debts considered to be doubtful of recovery.

2.3 Impairment of assets

An assesment is made at each balance sheet date to determine whether there is objective evidence that an asset or a group of assets may be impaired. If such evidence exists, the estimated recoverable amount of that asset is determined and any impairment loss recognized for the difference between the recoverable amount and the carrying amount.

2.4 Trade and other receivables

A provision for impairment is made when there is objective evidence that the business will not be able to collect all the amounts due under the original terms of the invoice. The carrying amount of the receivable is reduced through use of an allowance account. Impaired debts are derecognised when they are assessed as uncollectible.

2.5 Provisions

Provisions are recognised when the business has a present obligation, as a result of past events where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

2.6 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the business and the revenue can be reliably measured.

2.7 Taxes

Current tax

Tax assets and liabilities for the current year and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax law used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

DAR ES SALAAM.

**REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS OF RAHABU LOGISTICS COMPANY LIMITED
FOR THE YEAR ENDED 31ST DECEMBER 2020**

Unqualified Opinion

We have audited the accompanying Financial Statements of Rahabu Logistics Company Limited which comprises the Statement of Financial Position as at 31st December 2020, the Statement of Comprehensive Income, Statement of Changes in Equity and the Statement of Cash flows for the year ended 31st December 2020, and the Summary of Significant Accounting Policies and other explanatory notes.

In our opinion, the Financial Statements present fairly, in all material respects, the financial position of Rahabu Logistics Company Limited as at 31st December 2020, its financial performance and its cash flows for the year ended 31st December 2020 in accordance with International Financial Reporting Standards (IFRS) and the Companies Act, 2002.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the international Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion there on, and we do not provide separate opinion on these matters. We have fulfilled the responsibilities described in the auditor's Responsibilities for the Audit of the Financial Statements section of our report, including in relation to this matter. There were no key audit matters to report during the year ended 31st December 2020.

Other Information Included in the Company's Annual Report

The other information comprises the Company Information, Director's Report, Statement of Directors' Responsibilities and Declaration by Head of Finance. The other information does not include the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our Objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements.

We also responsible for the direction, supervision and performance of the company audit. We remain solely responsible for our audit opinion. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

This report, including the opinion, has been prepared for, and only for, the Company's members as a body in accordance with the Tanzania Companies Act, 2002 and for no other purposes.

As required by the Tanzania Companies Act, 2002, we report to you, based on our audit, that:

- We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- The Directors report is consistent with the financial statements;

- The company's statement of financial position and statement of profit or loss and other comprehensive income are in agreement with the books of account.

COMPANY'S ANTI – BRIBERY POLICY

RAHABU LOGISTICS COMPANY LIMITED

Recognizes that corruption has devastating impact on the social and economic development of any country. We share in growing global consensus that action needs to be taken to strengthen transparency and accountability, particularly in international development, trade and investment.

RAHABU LOGISTICS COMPANY LIMITED therefore pledges to support the efforts of the Government of the United Republic of Tanzania and to participate, along with the Contractors Registration Board and other members of the construction industry, business community and financing institutions in forming a coalition against corruption.

RAHABU LOGISTICS COMPANY LIMITED welcomes the action taken by the Government to strengthen transparency and accountability, in this context we would;

- a) Not offer or give any bribes or any other form of inducement to any public official in connection with pending bid;
- b) Not permit anyone (whether our employee or an independent commission agent) to do so on our behalf;

MILLING INDUSTRY (BROWN RICE & WHITE RICE)

Rahabu logistics Co. Ltd owns rice milling industry that produces both brown and white rice, registered by BRELA under the name **RAHABU RICE MILLS** with registration number **502641** as of 29th October, 2021. This industry is located at Mahongole, Nsonyanga, Mbarali - Mbeya. The milling process combines a number of operations that produce better quality and higher yield of white rice from paddy or rough rice. Our state of the art machines does all process from sorting, removal, polishing, separation, mixing, weighting, packaging to the final stage. Our modern milling industry follows these processes;

1. Pre-cleaning – removal of straw, weed seeds, soil and other inert materials from paddy
2. Removing the husks from (de-husking or de-hulling) brown rice
3. Paddy separation – the paddy separator separates unhusked paddy rice from brown rice
4. Whitening / polishing – we produce white rice by removing the bran layer and germ from the paddy. The bran layer is removed from the kernel through either abrasive or friction polishers
5. Separation of white rice – after polishing white rice, it is separated into head rice, large and small broken rice and brewers by an oscillating screen sifter
6. Rice mixing – mixing of head rice, large broken and small broken kernels as per government standards.
7. Mist polishing
8. Rice weighting – we use mechanical weighting system, which is a very accurate and fast electronic system
9. Packaging
10. Transportation to the market (consumers)
